Infused Seltzers

FULL LIST OF PRODUCT DETAILS

Finally, a craft seltzer from the trusted roots at Sweet Dirt.

Our special blends use just the right amount of natural fruit flavors, a pinch of natural cane sugar, and a tantalizing touch of fizz to elevate the cannabis seltzer game.

We only use high quality, broad spectrum cannabis oil, and proprietary nano emulsification technology to deliver a fast acting experience that can't be beat.

Sweet Dirt Seltzers are low calorie and feature our organically-grown cannabis.

Our bold flavors are best enjoyed chilled!

Go ahead and indulge!

Dosi Kush Cleaner

Dosi Kush Cleaner delivers a potent, stony, in-your-face buzz that seeps down slowly into the body. Boasting an intense, complex terpene profile, Dosi Kush Cleaner possesses a pungent aroma of earthy skunk and lemon pinesol that will have you coming back for another whiff. Its flavor is piney and petrol-like.

.5gram

Trainwreck

Trainwreck is a Sativa dominant hybrid, thought to be a cross of Mexican and Thai Sativas with some Afghani Indica. Terpinolene dominant (woody, floral, and herbaceous menthol and almost chemical) with notes of sweeter lemon and spicy pine.

.5gram

Dreamstar

THC 22.5% - Dreamstar is an uplifting motivating strain that delivers equal parts relaxing, energizing, and mind-stimulating. Featuring a complex aroma, Dreamstar blends notes of sandalwood and herbs with Fall spices and a lingering blueberry sweetness.

Blue Borealis

Blue Borealis is a subtly sedative strain, featuring a burst of tropical energy. The strain boasts a smooth, earthy pine flavor, paired with a hint of berry and spice. Blue Borealis can be enjoyed throughout the day and evening to boost mood and creativity, as well as simply unwind.

1gram Cured Badder

Dream Star

Dream Star is an uplifting, motivating strain that delivers equal parts relaxing, energizing, and mind-stimulating. Featuring a complex aroma, Dream Star blends notes of sandalwood and herbs with Fall spices and a lingering blueberry sweetness. Dream Star is a great strain for daytime use.

1gram Cured Badder

Alaskan Orange Tree

Everything about Alaskan Orange Tree will leave you feeling cheerful and looking on the bright side of life. This strains sweet, citrus aromas and juicy orange flavors will transport you to a sun-drenched citrus grove and leave you feeling upbeat, cerebral, and surprisingly functional. Alaskan Orange Tree is a great choice for daytime activities and other active endeavors.

1gram Cured Badder

Dosi Kush Cleaner ***NEW***

Dosi Kush Cleaner seeps down slowly in the body. Potent and sedative, she is best reserved for evening use. Boasting a complex terpene profile, she has an aroma of earthy skunk and lemon pinesol that will have you coming back for another whiff.

1 gram Live Rosin ***NEW***

Ghost Cherry Limeade

Ghost Cherry Limeade's mild and relaxing buzz is perfect for daytime or evening use. It's as refreshing as it sounds - delivering a balanced cerebral and body high that will leave you feeling relaxed, euphoric, motivated, and a tad chatty. The strains sour, tangy, lime aroma features hints of rose water and a punch of strong black cherry, while its earthy, fruity flavors are punctuated with hints of black pepper, followed by strong notes of citrus and berry.

1gram Cured Badder

Now Offering: Live Rosin

Our Cold-Cured Live Rosin is the Ferrari of concentrates. It's pure, solventless, and full-spectrum. For you, that means a higher high and terpene-rich flavors.

Sweet Dirt grew and harvested whole-plant Dosi Kush Cleaner. We cryogenically froze the flower in full-term and with the help of Paul's Boutique of Maine, yielded bubble hash, where only the most premium spectrums were selected for the live rosin creation.

The hash is cold-pressed by hand to produce a terpene-rich rosin, and then cold-cured for two weeks to produce the perfect texture for dabbing. Go ahead, take it for a spin.

Bucket List

If you seek a warm and fuzzy buzz, Bucket List is the one for you. With a fruity flavor and a hint of pine, she smells a bit like mothballs (but in the best possible way). Bucket List brings on a rush of chatty giddiness, fading to full relaxation.

.5gram

Disco

Disco is a hybrid strain with deep avocado green hues, amber colored hairs and subtle notes of sweet perfume, earth, musky and hazy terpenes. Expect a talkative and productive high but be careful, her potency could leave the mind a bit cloudy.

.5gram

Phoenix

The strain features a savage set of aromas – from fruity grapes to alcohol to stale motor oil. And, while the taste is all funk, the flavor is sweet melon paired with spicy pepper and a gassy, earthy finish.

.5gram

Coastal OG

Coastal OG is a strain you can enjoy while lounging in the hammock amidst a summer breeze or relaxing on the couch under a cozy blanket. The strain features beautiful frosted round nugs deep green in color with strong purple and red accents.

BUCKETLIST

Bucketlist is one to add to your list if you seek a warm and fuzzy buzz, with a strong head high. With a fruity flavor and a hint of pine, this strain smells a bit like mothballs (but in the best possible way). Bucketlist brings on a rush of chatty giddiness, fading to a relaxed put-up-your-feet-and-chill. Bucketlist should be enjoyed on an evening where all you want to do is put your feet up and chill.

90'S OG

90's OG is a strain you can enjoy while lounging in the hammock amidst a summer breeze or relaxing on the couch under a cozy blanket. The strain features beautiful frosted round nugs deep green in color with strong purple and red accents. It has a fruity grape aroma with a pungent pine and wood lacquer or petrol finish. Coastal OG is perfect for chilling afternoons or evenings.

ALASKAN ORANGE TREE (CR)

Everything about Alaskan Orange Tree will leave you feeling cheerful and looking on the bright side of life. This strain's sweet, citrus aromas and juicy orange flavors will transport you to a sun-drenched citrus grove and leave you feeling upbeat, cerebral, and surprisingly functional.

PURPLESTRUCK 1:1 (CR)

THC 20.2% - 1:1 CBD/THC flower. Super sticky diamond dust coated nugs with thick deep red hairs. Sweet and fruity yet tart and tangy aroma produces a very balanced experience and effect for those looking for all the body feels without the heady high.

GHOST CHERRY LIMEADE (CR)

Ghost Cherry Limeade is as refreshing as it sounds — delivering a balanced cerebral and body high that will leave you feeling relaxed, euphoric, motivated, and a tad chatty. The strain's sour, tangy, lime aroma features hints of rose water and a punch of strong black cherry, while its earthy, fruity flavors are punctuated with hints of black pepper, followed by strong notes of citrus and berry. Ghost Cherry Limeade's mild, relaxing buzz is perfect for daytime or evening use.

BLUEBERRY MUFFINS (D)

Made with added terpenes and distillate from Sweet Dirt's organically grown flower, these cartridges offer smooth flavors reminiscent of sweet blueberries and pine forest.

ALOHA PUNCH (D)

Made with added terpenes and distillate from Sweet Dirt's organically grown flower, these cartridges offer tropical & juicy flavors.

BISCOTTI (D)

Made with added terpenes and distillate from Sweet Dirt's organically grown flower, these cartridges offer sweet and buttery smooth flavors.

STRAWNANA (D)

Made with added strawberry and banana terpenes and distillate from Sweet Dirt's organically grown flower, these cartridges are fruity & flavorful.
